### Security Screening/Vetting

Your potential employment within the security industry is dependant on security screening. This is done following the rules of British Standard 7858.

To ensure that the integrity of each applicant is of a suitable standard to work in a position of great trust, we will need to check either for the last five years or back to your completion of full time education if that was less than five years ago.

In completing the application form you must give as much detail as possible. We will confirm your education history and employment history on a continuous month-by-month basis.

We will contact each of your previous employers and educational establishments within the time period as stated above.

We will need to contact your current employer before we are able to complete 5 year screening. Permission to do so is a condition of the offer of provisional employment. If such permission is withheld this offer will be withdrawn if the security screening is not concluded satisfactorily.

### Previous employment should be detailed as follows:

Date of start and finish of employment months and years;  
Name of line manager and your position within the company at the time of leaving;  
Full name and address of company;  
Full telephone number of company.

It is important to detail each job that you have had no matter how short the contract. In the case of working through an agency it is necessary to give only the agency name, address and contact.

### In the case of unemployment or gaps in employment:

Where you have registered with an employment service office, fill in the appropriate form. You will find this attached to your application form. (Appendix A).

Where you have been unemployed and have not registered with an employment service office, please nominate a character referee who is not related to you and can verify by knowing you at the time that you were unemployed for the dates shown. Please supply name, address and telephone number.

You must seek permission from the character referees sought, as we will write/telephone them to confirm the information you have supplied.

### Previous education should be detailed as follows:

Name, full address and telephone number of School/College/University.  
Date of start and finish of education at each in months and years.  
The qualifications you gained.

### Financial History

From 1st January 2007 all applicants have to undergo a financial history check in accordance with screening and vetting BS 7858.

### Probationary period of employment:

After gaining references to confirm your occupation for the previous 5 years we may offer you a position on a probationary basis whilst we are checking the remaining references. This period will be for no longer than 12 weeks.

Failure to meet the security screening standards of the company will result in the termination of your probationary employment.
